# Seeking Feedback from Industry Stakeholders on Draft 2

## Qualification

- Does the Qualification provide a clear and accurate description of the skills outcomes of the qualification?
- Are the Packaging Rules for the core composition of Units attainable at a Diploma level?
- The TAC has suggested a minimum of 360 hours of work placement. Is this a satisfactory number of hours? Should there be more? Should there be fewer?
- The TAC has suggested the following Entry Requirements:
  - ☐ Entry to this Qualification is open to individuals:
    - ❖ who have completed Australian Year 12 English (or the equivalent); and
    - ❖ who hold a current first aid and CPR certificate.
- Are these entry requirements too restrictive? Too lenient? If either too restrictive or too lenient, what should the Entry Requirements be?

- Do the Performance Criteria adequately describe the level of proficiency?

## Performance Evidence

- Is the suggested volume (sufficiency) of evidence appropriate? Too little, too much?
- Are the statements clear? Would assessors understand exactly what they must do?

## Knowledge Evidence
