

Careers start IN THE SERVICE SECTOR

Careers start in the service sector through school based apprenticeships and traineeships

Tourism

Like dealing with people, using business technologies, providing advice on itineraries or activities?

Maybe the world's your oyster – explore it with a career in tourism. Make a start working for a tour operator, retail travel agency, conference organiser or an attraction, theme park, gallery or museum.

Start now at school to be on your way to an exciting career with paid on-the-job training in the industry while you learn. School based traineeships are available for the Certificate II or Certificate III in Tourism.

Hospitality

Like dealing with people, enjoy an energetic and dynamic environment, want to prepare food and organise menus?

Make a start to be a cook, pastry cook, chef, barista, bar attendant, hotel service manager, restaurant manager or concierge. Work in catering, function centres, restaurants, hotels, pubs, clubs or cafes.

Start now at school to be on your way to an exciting career with paid on-the-job training in the industry while you learn. School based apprenticeships are available for the Certificate III in Commercial Cookery. School based traineeships are available for the Certificate II in Kitchen Operations or Certificate II in Hospitality.

Traineeships provide:

- ✓ a minimum 100 days on-the-job paid employment and training in the industry to be undertaken during school time, after school and/or during school holidays
- ✓ a career path in the industry
- ✓ articulation into a higher level qualification
- ✓ credit towards your HSC

Apprenticeships provide:

- ✓ a minimum 100 days on-the-job paid employment and training in the industry to be undertaken during school time, after school and/or during school holidays
- ✓ a career path in the industry
- ✓ the opportunity to complete stage 1 by the end of your HSC
- ✓ the opportunity for you to continue your apprenticeship full time post school

Sport, Fitness and Recreation

Like dealing with people, being fit and active, organising recreational activities and sporting events?

Be a professional sports person, athlete, coach, instructor, official, fitness instructor, personal trainer, outdoor recreation guide, or be involved in community, sport, fitness, aquatic and recreation activities, programs or facilities.

Start now at school to be on your way to an exciting career with paid on-the-job training in the industry while you learn. School based traineeships are available for Certificate II in Sport and Recreation or Outdoor Recreation, or for Certificate III in Fitness* (Statement of Attainment).

Hairdressing, Barbering and Beauty Services

Like dealing with people, into looking good, being your best self and maybe a little creative?

If you have good communication skills, take pride in being well presented and helping others look good, then be a professional hairdresser, barber, hair or beauty salon assistant, session stylist, make-up artist, beauty therapist, salon manager and maybe one day a salon owner.

Start now at school to be on your way to an exciting career with paid on-the-job training in the industry while you learn. School based apprenticeships available for Certificate IV in Beauty Therapy or Certificate III in Hairdressing or Barbering. School based traineeships are available for Certificate III in Make-up, Nail Technology, Retail Cosmetics or Hairdressing (Salon Assistant).

Retail and Floristry

Like dealing with people, providing advice, helping them to make the right purchasing decisions?

If you like providing customer service, making sales and providing advice, then a career in retail may be right for you.

Start now at school to be on your way to an exciting career with paid on-the-job training in the industry while you learn.

School based traineeships are available in a Certificate II in Retail Services or Community Pharmacy or a Certificate III in Retail.

School based traineeships are also available for the Certificate II in Floristry (Assistant). This will put you on a career path to be a florist for weddings and events, in retail or online.
