QUALIFICATION CODE	HLT3XX21			
QUALIFICATION TITLE	Certificate III in Aboriginal and/or Torres Strait Islander Primary Health Care			
QUALIFICATION DESCRIPTION	This qualification reflects the role of individuals working in health care support roles in a diversity of locations including urban, rural and remote settings. It is specific to Aboriginal and/or Torres Strait Islander people who work under general supervision as part of a multidisciplinary health care team providing primary health care services to Aboriginal and/or Torres Strait Islander clients and communities. At this level, work involves the provision of generalist health services and the use of some discretion and judgment within the parameters of clearly defined plans, policies and procedures to guide work activities.			
	This qualification provides a pathway to work in a range of health care settings including Aboriginal and/or Torres Strait Islander community organisations, and the public or private health sector.			
	No regulatory requirement for certification, occupational or business licensing i linked to this qualification at the time of publication.			
ENTRY REQUIREMENTS	There are no entry requirements for this qualification.			
PACKAGING RULES	15 units must be completed:			
	<ul> <li>9 core units</li> <li>6 elective units, consisting of:         <ul> <li>3 units from the list below</li> <li>3 additional units from the list below, from elsewhere in the HLT Trainin, Package or from any other current training package or accredited course</li> </ul> </li> <li>The selection of electives must be guided by the job outcome sought, local industry requirements and the complexity of skills appropriate to the AQF level of this qualification.</li> </ul>
