UNIT CODE	CHCDIS019
UNIT TITLE	Facilitate ongoing skills development using a person-centred approach
APPLICATION	This unit describes the performance outcomes, skills and knowledge required to plan, implement and review formal and informal ongoing skills development, in collaboration with a person with disability and incorporate into the person's individualised plan.
	This unit applies to workers in varied disability contexts. Work performed requires a range of well developed, person-centred skills where some discretion and judgement is required and workers will take responsibility for their own outputs.
	The skills in this unit must be applied in accordance with Commonwealth and State/Territory legislation, Australian standards and industry codes of practice.
	No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
PREREQUISITE UNIT	Nil
COMPETENCY FIELD	Nil
UNIT SECTOR	Disability Support

ELEMENTS	PERFORMANCE CRITERIA
Elements describe the essential outcomes	Performance criteria describe the performance needed to demonstrate achievement of the element.
1. Identify individual skill development needs.	 1.1 Work with the person with disability to identify their skill development needs using a person-centred approach. 1.2 Document identified skill development needs according to organisational policies and procedures. 1.3 Identify skills development opportunities in collaboration with the person, their family, carer or others identified by the person, for inclusion in the individualised plan. 1.4 Consult with the person to make referrals to other staff or specialist services according to the person's needs.

2. Plan person-centred, ongoing skill development.	 2.1 Use appropriate communication techniques to engage the person in identifying learning goals. 2.2 Work with the person to identify learning strategies and opportunities to address their goals. 2.3 Develop formal ongoing skills development activities using a person-centred approach in conjunction with the person with disability and colleagues. 2.4 Document ongoing skills development in the person's individualised plan according to organisational policies and procedures.
3. Implement person-centred, ongoing skills development strategies.	 3.1 Work with the person with disability to implement ongoing skills development strategies in a manner that is respectful, motivating and empowering. 3.2 Inform and support colleagues and others involved in service provision to implement person-centred ongoing skills development in line with the person's individualised plan. 3.3 Work with the person to facilitate access and utilise equipment and resources required to enable the learning process. 3.4 Document outcomes in the person's individualised plan according to organisational policies and procedures.
4. Evaluate skills development and review plan.	 4.1 Monitor the person's development and provide feedback to the person, their carer or others identified by the person regarding progress towards objectives and goals. 4.2 Work with the person to evaluate effectiveness of ongoing skills development using the person's records and update plan to meet changing needs of the person. 4.3 Consult with the person to identify opportunities for ongoing skill development.
5. Identify and implement incidental learning opportunities to enhance skills development.	5.1 Work with the person to identify situations that can act as informal learning opportunities and encourage learning. 5.2 Promptly provide constructive advice to the person with disability, their family, carer or others identified by the person in a format that can be understood. 5.3 Provide encouragement when the person takes initiative in learning situations. 5.4 Work with the person to adapt support to encourage experiential learning and development.

FOUNDATION SKILLS	
Foundation skills essential to performance are explicit in the Performance Criteria of this unit of competency.
